New on the SCS Website

Several new projects have been uploaded (or will be uploaded over the next few days) to the SCS webpage. We now have all 3 episodes of the fifth graders "Presidents on Parade" uploaded - click on Audio Eagle Podcast to find them. The fifth graders have also made a podcast with pictures of the Chicago trip that should be posted online within a few days. We also have some examples of the slide shows about the Life of Moses that were created by the 2nd graders - click on the Computers page under elementary classes to view them. We are in the midst of creating videos using digital pictures of simple machines that were taken by the 3rd graders - these will also be uploaded to the Computers page when completed. And finally, check back after Wednesday to see pictures from Field Day posted under Activities and Projects!

Project12 Baskets

Spring Hill Camps at SCS

Final Registrations are now due for the Spring Hill Summer Camp at SCS this summer during the weeks of July 21st – 25th or July 28th - August 1st. Don't miss this amazing camping experience. One week for only \$190.00! Flyers are available in the school offices.

Spring Hill Camps Host a Counselor

Have a spare bedroom you can offer this summer? Spring Hill will be looking to house some of the Counseling Staff for the weeks they are in town. They will need to house 4-5 guys and 5-6 girls (18 and older) for the two weeks they are at SCS. They will have transportation and eat meals at the Camp – this is simply a bedroom and shower for their use during the week. Contact Margie Baldwin x246 if you can offer to house a staff member.

Box Tops For Education

Thanks for all the Box Tops for Education. We will have earned over \$500.00 this school year for the elementary. So if you forgot to turn in your Box Tops you may still do so, they will count towards next year's total.
